16th International Conference on Principles of Knowledge Representation & Reasoning

October 27 – November 2, 2018 | Tempe, Arizona
ASU Memorial Union and Tempe Mission Palms Hotel

Your sponsorship of the 16th International Conference on Principles of Knowledge Representation and Reasoning positions your company in front of an audience of industry and academia, who are experts in building intelligent systems that learn and reason with knowledge. The 4-day international conference is a premier event presenting the state-of-the-art research in knowledge representation and artificial intelligence. Seven workshops and eight tutorials will precede the main event and discuss specialized topics. Don't miss the opportunity to introduce your products and services to an elite audience of artificial intelligence researchers and students and create long-term relationships, while building awareness.
